The original Porsche 911 is a luxury sports car made by Porsche AG of Stuttgart, Germany. The famous, distinctive, and durable design was introduced in autumn 1963 and built through 1989. It was succeeded by a modified version, internally referred to as Porsche 964 but still sold as Porsche 911, as are current models. Mechanically, the 911 was notable for being rear engineed and air-cooled. From its inception, the 911 was modified both by private teams and the factory itself for racing, rallying
