A Community Called Atonement Scot Mcknight

Scot McKnight's A Community Called Atonement. Written by David Fitch. on September 27, 2007. Many of us evangelicals know the inner discontent we grew up concerning the stripped down, austere, narrow understanding of the atonement we were taught day in day out in church, Sunday school and youth camp. This forensic substitutionary penal view of the atonement gave us an introduction to the atonement, opened up a narrow doorway into a life with God, but in the end left us empty as to how this ...

Community Called Atonement - Christian Books and More

Scot McKnight's *A Community Called Atonement* (Abingdon, 2007) is one of the most important Christian books of the year. McKnight's work shows how each model of atonement theology has a biblical basis and a rightful place in discussions about the meaning of Christ's death and resurrection.

Book Review: A Community Called Atonement

This is where the idea of a "community called atonement" comes in. Atonement means being part of a community through which God is at work to redeem the world. As Scot says at the end of Part 3: "We are now ready to explore atonement not only as the act of God but, as is the case with all emerging theology, as something we are invited to perform with God in this world."

A Community Called Atonement is a constructive theology that not only values the church's atonement metaphors but also asserts that the atonement fundamentally shapes the life of the Christian and of the church.

A Community Called Atonement : Scot McKnight : 9780687645541

This year's review will be of *A Community Called Atonement* by Scot McKnight. If you have any requests for next year's book, leave me a comment and we can have further discussion. It's important to read the prologue of this book. Here McKnight lays out his major goal, to which he constantly refers throughout the rest of the book.

Book Review: A Community Called Atonement

In Scott McKnight's book, "*A Community Called Atonement: Living Theology*", he argues quite persuasively for a more comprehensive and varied understanding of the atoning work of Jesus. Scott begins his exploration and explanation of the atonement by likening the various New Testament atonement metaphors to the many golf-clubs that are needed in playing a good game of Golf.
