Author. Unlike most NT letters, 1 John does not tell us who its author is. The earliest identification of him comes from the church fathers: Irenaeus (c. a.d. 140-203), Clement of Alexandria (c. 150-215), Tertullian (c. 155-222) and Origen (c. 185-253) all designated the writer as the apostle John.

The Incarnation of the Word of Life. The life appeared; we have seen it and testify to it, and we proclaim to you the eternal life, which was with the Father and has appeared to us. We proclaim to you what we have seen and heard, so that you also may have fellowship with us. And our fellowship is with the Father and with his Son, Jesus Christ.

The First John Reader is an attempt to provide students with the basics of such a background. How Does This Work? Using the Epistle of First John as a rubric, Baugh guides students through the often confusing maze of Greek grammar. This is not a translation course. Rather, it is intended as a bridge between introductory Greek (a primer-level course) and the complex Greek grammar texts that assume some degree of technical familiarity with the language.

Community Reviews. Whereas the Primer is in its third edition, this First John Reader is in its first, so it has some corrections to be made, mainly in presentation and coordination with the Primer lessons it references. That said, it is a good way to read through a book of the Bible with minimal exposure to the language.
