A Kiss in Time by Alex Flinn, Paperback | Barnes & Noble®
While I didn't in any way dislike A Kiss in Time, it was nowhere near as good, and struggles a bit to make the story plausible. The change in the characters happens a little bit too fast, and a little too neatly, for it to be entirely satisfying. But it was by no means bad, and a more than adequate way to spend a few hours.

A Kiss In Time was a wonderful story! I've read a few fairy tale retellings this year and enjoyed them all, so I definitely plan on reading more in this genre. I loved that while *A Kiss In Time* (obviously) had similarities to *Sleeping Beauty*, it was also very different! There were many times I laughed out loud while listening to this book.
