Monogram Maker | Mark and Graham | Mark and Graham  
For one person: some people use a two letter monogram for their first and last name if they don't have a middle name or do not want to include it.. For a couple: two letter monograms are often used by married couples or prior to a couple's wedding with the first initial of each partner on either side.Usually, the woman's initial is first. When a couple has different last names then a two ...

A: Initial Monogram Notebook - Floral College Rule Lined ...  
The order of letters for a monogram can depend on many things. Over the years a monogramming etiquette has been developed to help with the format and order of the initials. This has unfortunately caused some confusion understanding the order of initials and what initial goes in the middle for a monogram.

Monogram Initials | Free Online Monogram Initials Generator  
The Basics. A monogram consists of a person's initials — usually a variation on the first, middle, and last name—and much has been written about proper monogram etiquette. To help you get started, we've provided traditional guidelines to monogramming along with a healthy serving of non-traditional ones (called 'M+G says'),...
