### *A Pilgrimage To Mount Rainier*

The Milky Way was just east of Mt Rainier at 11:30PM. The lights on Mt Rainier were a base camp as the climbers began their final ascent. They have a 4,000 foot climb from base camp and try to reach the summit by day break so they can start down before the warm temperatures open crevasses. A meteor glowed through the east side of the Milky Way. (G.

### *A Pilgrimage To Mount Rainier Synopsis*

A couple weeks ago we made our annual pilgrimage to Mount Rainier to see the wildflowers. Unlike in years past the weather was a bit cloudy and cool, but that did not stop us from having a wonderful time and enjoying the beautiful scenery. We hiked around spotting waterfalls and so many marmots I lo

Holy Mount? On the anniversary of Kenneth Arnold's sighting, states one UFO writer, "ufologists make the trek to Rainier to commemorate the birth of saucerology." He might have replaced "trek" with "pilgrimage," since he seems to elevate the mountain to the status of an Olympus or a Sinai. He lists Rainier as one of
