*ABC BALLET CHALLENGE! - YouTube*

Clearly worded, abundantly illustrated little guide defines basic ballet-related terms: arabesque, battement, pas de chat, relevé, sissonne, many others. The beautiful illustrations are suitable for coloring, but this is more of a teaching tool than a coloring book. Pronunciation guide included. An excellent primer. Di

Dancers will feel like little ballet dancers in our all-ballet Amethyst Level classes! Students continue to build on the foundations they learned in previous levels as they work on increasing their turn-out, balance, strength, and flexibility. This allows them to learn more exciting steps, which is so inspiring for young dancers.

*Australian Ballet : ABC iview*

It was a nice ABC book but most ballet interested toddlers learning ABCs wouldn't be all that interested in the words. This seems too simple for a little older child learning dance terminology. The pictures were beautiful though. It was a good read from the library. Read more.

*Abc Of Ballet | www.uppercasing*

Ballet uses strictly defined positions through which most arm movements travel. There are five basic positions: first, second, third, fourth, fifth. First position: Both arms are held out in front of the body at approximately 80 degrees, maintaining rounded elbows and an oval shape, sloping down a little from the shoulders.
