Education and  
Training: Achieving  
quality requires  
constant learning for  
everyone in an  
organization, and that  
learning needs to be  
part of the  
organizational culture.  
Not only should staff  
members be learning  
from others in the  
organization, but they  
should also be

encouraged to take courses, to attend organization-sponsored trainings and workshops, to visit other organizations, etc., to continually learn more about their work, and to get new ideas and perspectives on it.
