Algeria France's Undeclared War Martin Evans Making of the Modern World. Traces the origins of the Algerian war from the initial French invasion in 1830; Looks at the war both on the ground in Algeria and how developments in France affected the course of the war

~~Algeria: France's Undeclared War | Foreign Affairs~~
It was a war of the countryside. It was a war of image and propaganda. It was a war of international diplomacy that transcended national boundaries, and linked Algeria to metropolitan France, the French Union, the European Economic Community, the Arab world and the Cold War." (Page 230).
