The Olympic Games Of Ancient Greek Athletics 1273 Words | 6 Pages. Stephen G. Miller, an expert Yale professor in the field of Ancient Greek athletics states that the Olympics were held “in honor of Zeus in the city of Olympia” (Miller). “The element of religion is evident in this historical event.

Ancient Greek Athletics (Book) - Ancient History Encyclopedia

The book is lavishly illustrated with dozens of pictures of Greek vases and inscriptions that depict the ancient athletes performing in their events - most of the time, completely naked. Modern readers (especially men) will find it surprising, I suppose, that for most events, this was exactly how it was done (I guess that motivated them to run really fast).
