Hanging and finishing drywall is quite possibly the one job that do-it-yourselfers dislike the most. It's messy, it's tedious and even small imperfections appear glaring when the walls and ceilings are painted. Working with Drywall gives a fresh perspective on this maligned but essential task. It goes beyond the basics of installing drywall to reveal all the secrets any homeowners needs to ...

Hanging and finishing drywall is quite possibly the one job that do-it-yourselfers dislike the most. It's messy, it's tedious and even small imperfections appear glaring when the walls and ceilings are

painted. Working with Drywall gives a fresh perspective on this maligned but essential task. I...

Review: Black & Decker 1/4 Sheet Palm Sander

Great for hanging frames and much more, the Bulls Eye® auto leveling laser is 2 tools in one. A level projects a horizontal laser level line for precise measurements, and a stud sensor detects wood, metal studs, and live A/C wires behind walls.
