British Seagull Outboard Motors: Outboards: Model 40 ...

The British Seagull engine (outboard motor) has been produced by England for more than seventy years. During that time the engine has gained a world-wide reputation for being hard working and very reliable. "The Classic British Seagull" offers many 'trade secrets' and procedures that are not written in other repair manuals.

British Seagull Outboard - British Seagull Outboard

Company developing the Seagull engines. The production was moved to Poole and the new company renamed the engines to: British Seagull "The Best Outboard Motor for the World". John Way-Hope has written the very enjoyable, readable and useful, today classical manuals about how to use and maintain your British Seagull.
