City of Westminster > Homepage

You can really tell that he teaches because he loves the game and this passion is palpable in every lesson. I started working with Warren because I wanted to learn how to play socially with coworkers and after 12 lessons, he was able to give me a very good foundation on forehands, backhands, and serving.

One-on-one coaching is the best kind of professional development. Not only did my experience with Better Lesson help me adopt more blended learning practices in my classroom but it truly helped me become a better teacher. Through our conversations, I always felt comfortable asking my coach questions, advice, feedback without ever feeling judged.
