Corporate Social Responsibility (CSR) In China: Huawei as a Case Study. August 24, 2016. By David De Cremer. Adopting CSR as a company philosophy in China seems to be more challenging than could be expected. In this article, David De Cremer looks into an example of a Chinese company that has over the years grown into a major global player and in this process has developed a long-term vision embracing the goal of being a responsible value-driven organisation.
