Caterpillar Excavator 311 Manual Service, Repair & Owners ...
I agree about the manuals. worth the money. My dad and I bought our first dozer used. A d4 cat, 40n series. We bought in 1973. think it was an early 60s year model. We spent \$179 on a manual. That was an arm and leg back then. If memory serves, shop time was \$20 per hour and that is what we charged for dozing work. It seemed like highway robbery.
