China's Great Wall of Debt: Shadow Banks, Ghost Cities, Massive Loans, and the End of the Chinese Miracle Dinny McMahon Houghton Mifflin Harcourt, 2018

China's Great Wall of Debt - China Channel

Business journalist McMahon, a longtime China reporter for the Wall Street Journal and current fellow at the Paulson Institute, contends that for all the anti-corruption rhetoric of the Xi Jinping government, corruption is still rampant, adding burdens to an economy already bound by strains of command-economy socialism, free-market capitalism, crony capitalism, and state capitalism, all designations that fail "to sufficiently describe the nature of the Chinese economy." Suffice it to say ...

Chinas Great Wall Of Debt

"China's Great Wall of Debt by Dinny McMahon puts red meat on the dry bones of standard economic analysis about China. From fake Moutai and Bobbie bears to how the government plays with its 'great ball of money,' his 10 years on the ground during a critical period enable McMahon to provide unique insight into China's precarious financial condition today and how it is likely to evolve tomorrow.

China's Great Wall Of Debt. Already, a property correction is underway with a 14 percent fall in the value of residential property transactions in 40 Chinese cities between April 2013 and August 2014, although Beijing saw a steep 33 percent dive and Shanghai dropped 21 percent.

China's great wall of debt | East Asia Forum

China's Great Wall of Debt unravels an incredibly complex and opaque economy, one whose fortunes - for better or worse - will shape the globe like never before. ©2018 Dinny McMahon (P)2018 Recorded Books

China's Great Wall Of Debt - The Diplomat

China's investment boom has heaped on a great wall of debt that now threatens the hard-fought prosperity of the country. Unless China shifts to fewer and higher-quality infrastructure investments, the country is headed for an infrastructure-led national financial and economic crisis, which is likely to spread to the international economy.

China’s Great Wall Of Debt China’s debt has surged in recent years. Can it handle it? By Anthony Fensom March 04, 2015 China’s great leap forward economically has now led the communist nation to join its developed rivals in the major debtors club.

‘China’s Great Wall of Debt’ Review: The Chinese Growth ...

China’s Great Wall of Debt sheds light on the unsustainable level of debt used to finance the Chinese economic growth, and its far-reaching consequences abroad. Dinny McMahon spent more than a decade covering China for the Wall Street Journal. In China’s Great Wall of Debt, the author breaks down the elements at play behind the Great Wall.

Dinny McMahon | Author | China's Great Wall of Debt

Between 2000 and 2014 China’s total debt grew from US\$2.1 trillion to US\$28.2 trillion, an increase of US\$26.1 trillion — greater than the GDP of the United States, Japan and Germany combined.

China's Great Wall of Debt: Shadow Banks, Ghost Cities ...

In his new book China’s Great Wall of Debt, former Wall Street Journal reporter Dinny McMahon dissects the Chinese economy through the prism of debt. It is there that the distortions and stresses of the Chinese economy can best be found - bad debt is the sump of the financial engine, where economic debris and detritus accrue.
