Golden State (clipper) - Wikipedia

The period of clipper ships lasted from the early 1840s to the early 1890s, and over time features such as the hull evolved from wooden to composite. At the 'crest of the clipper wave' year of 1852, there were 200 clippers rounding Cape Horn. The age of clippers ended when they were phased out in favor of more modern Iron-hulled sailing ships, which eventually gave way to steamships.
