V, HV, HVRS Series & hypac Rotary Vane Air Compressors

The brand Compair is global, and has been in the compressed air, ancillary equipment for compressed air systems, and other industries - with a broad range of products - for 200 years. In 2008 Compair itself was assimilated. They are now part of the Gardner-Denver group, making more difficult to parse an already complex web of product information and support.

Compair Manual L22 - Drjhonda

English Inhaling with the OMRON CompAIR CX Nebuliser Before using the nebuliser, the nebuliser kit must be cleaned according to the cleaning and disinfection instruction within this manual. (see page 7) 1. Make sure that the filter compartment (air inlet) and air ventilation holes are not covered, otherwise the unit may become overheated.
