

Conscious Acts Of Creation

Conscious Acts Of Creation

Dr. Tiller's book, *Conscious Acts of Creation*, continues to be important source material for my books about exerting greater influence over your material reality and life experiences. These experiments and the extrapolation of their results into other fields represent major paradigm shifts. I love getting to read the actual data.

Conscious Acts of Creation book by William A. Tiller.

Conscious Acts of Creation book by William A. Tiller

Conscious Acts of Creation makes a convincing case that the powerful effects of intention and emotion can no longer be disregarded—in healing, in scientific research, or even in everyday life. This gives credence to the ancient wisdom that one's thoughts and emotions create his or her reality.
