A construction contract, also known as a construction agreement, puts both parties' obligations in writing, so clients know what to expect in terms of performance and contractors know what you expect in terms of payment.

Learn the 7 Basics of Construction Contracts

A construction contract spells out your work rights and obligations, as well as the obligations of your client. You should always have a contract signed by your client before you begin the work. Most states even require you to have a written contract if you're doing construction or home improvement.
