craftsman laser trac level Questions & Answers | Sears ...

A rotary laser level is an ideal choice for a larger space. Place the device on a tripod or wall-mount bracket to hold it steady. The level spins rapidly and projects a bright laser guide around the entire room. When redecorating a large basement, the rotary level will ensure that each shelf sits at the right height.

Laser Level - sears.com

craftsman laser trac level I recently acquired the Craftman Laser Trac 4in1 level. Model 320-482.51 or Mfgr # LM013N. This has 2 level glasses on the top. However, the glass that is parallel with the long shape of the tool, has no liquid. I can find no visible crack for leakage. Question. Is there a

way to still use this level with only the one ...
