The Crimean War. The Crimean War (1853-1856) was fought primarily on the southern tip of the Crimea, a peninsula extending into the Black Sea, barely connected to Ukraine. It was the location of Russia's great naval base at Sevastopol, the destruction of which was the primary objective of Great Britain and France.

Crimean War War Correspondents
During the Crimean War, for the first time, newspaper correspondents were able to provide the public with eye-witness accounts of the scenes of conflict. This book combines such first-hand descriptions from The Times of London with an authoritative discussion

The War Correspondent - Poem Analysis - Interpreture ...

The Crimean War, generally known in Russia as the Eastern War, is nevertheless a rather neglected topic amongst historians. It is known in popular imagination, if at all, for the charge of the Light Brigade and the British-French siege of Russian troops in the Crimean port city of Sevastopol (Sebastopol).

Crimea's Legacy: Balaclavas, war correspondents and Anglo ...

This book has presented a critical, historically grounded analysis of the role of the war correspondent. It has highlighted the risks, the problems and the failures that have defined the role but it has also given credit where that is due and acknowledged the inspirational example of correspondents such as William Howard Russell, Morgan Philips Price, Martha Gellhorn, Wilfred Burchett, John Pilger and Robert Fisk.
