*Cruising Culture Promiscuity Desire And*

Cruising Culture provides the first extensive critical examination of competing understandings and experiences of promiscuity, both in post-war American gay culture and in American culture more broadly.In this original and provocative book, Ben Gove unpicks the root assumptions and contradictions which contribute to dominant punitive notions of promiscuous sex and desire.

*Cruising Culture - Edinburgh University Press*

As Ben Gove explains in Cruising Culture: Promiscuity, Desire and American Gay Literature, "In particular, Wojnarowicz's working-class background, long-term homelessness and subsequent sense of affiliation with the socioeconomically disenfranchised 'tribe I had left' on the streets, all made the notion of a primary allegiance to visible gay culture highly problematic for him—and all the more so in the case of the affluence-oriented commercial gay scene" (138).

*Cruising culture : promiscuity, desire and American gay...*

Cruising Culture develops an important reading of the cultural contradictions of gay promiscuity. - Journal of American Studies Gove's book really packs a punch. Rather than perceiving gay popular fiction as a reflection of society's behavioural patterns, he highlights its importance as a catalyst for change.
