POLITICS | meaning in the Cambridge English Dictionary

~~What does politics mean?—definitions~~
Politics is a set of activities associated with the governance of a country, state or an area. It involves making decisions that apply to groups of members. It refers to achieving and exercising positions of governance—organized control over a human community, particularly a state. The academic study focusing on just politics, which is therefore more targeted than general political science, is sometimes referred to as politology. In modern nation-states, people often form political parties ...
