The woman on the line mentioned I had to do a manual update using MUX and entering in 46, 43, 40, 41 , 44 and 47. (MUX No's for my area) I tried to do that in the Manual update but the box did nothing. Can I do this in the Auto Update Option. Is it possible to get my channels back or will we have to get an outdoor aerial? Or a better box.?

Problems With Dion Box — Digital Spy

Over the years I have had a number of different freeview set top boxes and I always get the really cheap ones. This Dion Twin Scart Set Top Box is the cheapest one Tesco are doing at the moment at just under 20 quid. This is a pretty basic model of course and on the whole it is no better or worse than any other at that price.

They also had a "Dion" set top box, for £19.97, £5 less, so I took that one down to the counter. My clubcard points were stripped back and readded, and I got the £5 back in cash (had originally paid via debit card. However the new box didnt come with batteries, an aerial or scart lead :eek: thankfully had spares available.

Tesco freeview box died — MoneySavingExpert Forum
Performing the manual retune. 1. Using your remote control, press the menu button. 2. Select the set up or installation option. If you see picture icons, select the tool box, satellite dish or spanner. 3. Select manual retune or manual search. 4. If you're prompted for a code, try 0000 or 1234. 5.

How do I manually retune my TV? | Freeview
