In "Science as a Vocation," Max Weber identifies a trajectory within modernity of increased rationalization, which results in a dangerous loss of meaning, a marginalization of religion, and a...

~~Rationalization and Disenchantment—Oxford Scholarship~~

disenchantment and modernity 143 The rationalizations of these important spheres of Western society have not proceeded totally independently, however.

~~Disenchantment, rationality and the modernity of Max Weber~~

The third chapter distinguishes between the notions rationality, rationalism, and rationalisation as employed by Max Weber and reviews the way in which Weber and Charles Taylor understand the concept of disenchantment. The argument here is that Indian rationalists' attempt to disenchant India on the basis of their belief that there are no mysterious incalculable forces that exist in the world.

~~Disenchantment and Modernity Essay—1805 Words | Bartleby~~

In sociology, the iron cage is a concept introduced by Max Weber to describe the increased rationalization inherent in social life, particularly in Western capitalist societies. The "iron cage" thus traps individuals in systems based purely on teleological efficiency, rational calculation and control.

~~Definitions and Characteristics of Modernity~~

Disenchantment is a foundational myth of the new human sciences that emerged during the nineteenth century. By treating magic and religion as anachronisms, anthropology and sociology reinforced the myth of disenchantment, while promoting their own claim to scientific status. A taboo invites its own subversion.

~~Disenchantment | philosophy and sociology | Britannica~~

In social science, disenchantment is the cultural rationalization and devaluation of religion apparent in modern society. The term was borrowed from Friedrich Schiller by Max Weber to describe the character of modernized, bureaucratic, secularized Western society, where scientific understanding is more highly valued than belief, and where processes are oriented toward rational goals, as opposed to traditional society, where for Weber, "the world remains a great enchanted garden".
