### Don't Get Angry, Annie (You Choose!) book by Lisa Regan

Sometimes we get angry but we don't react, thinking of the unpleasantness and also the guilt which creeps in afterwards. Anger is certainly not a healthy emotion, but keeping it inside is worse. It is okay if you feel you don't get angry when it is necessary, you just can't force yourself to do it.

Start noticing when you get angry and be prepared that at first it may just be a tiny little hint of anger. You may just be mildly irritated or just a tiny bit unsettled. That's anger. So rather than saying, you know, "It's okay," actually say, "Yeah, I am angry." You don't have to be in full flight of fury and rage in order to be angry.
