**A Review of An Anthropologist on Mars** by Oliver Sacks ...  
**An Anthropologist on Mars** by Oliver Sacks is Essays "An inexhaustible tourist at the farther reaches of the mind, Sacks presents, in sparse, unsentimental prose, the stories of seven of his patients. The result is as rich, vivid and compelling as any collection of short

**An Anthropologist on Mars:** Amazon.co.uk: Sacks, Oliver: Books  
In this tale, and the concluding tale, "An Anthropologist on Mars," Sacks helps us to penetrate the world of the autistic and see it (at least in my interpretation) as an alternate view of reality, a view with its own strengths and weaknesses, a world that is just as true and valid as the "normal" one.

**An Anthropologist on Mars | Bartleby**

The book was published in multiple languages including English, consists of 318 pages and is available in Paperback format. The main characters of this non fiction, science story are . .

**An Anthropologist on Mars Questions and Answers - eNotes.com**  
Each of the chapters in "An anthropologist on Mars" has a cast of significant characters, setting, and plot. The elements portrayed in the book weave together creating a fascinating story. The individuals undergoing examination are astonishing and how the author manages to counter the sterile account of the relative neurological functioning found in psychiatric journals is brilliant.

**An Anthropologist on Mars - Wikipedia**  
The stories in **An Anthropologist on Mars** are medical case reports not unlike the classic tales of Berton Roueché in **The Medical Detectives**. Sacks's stories are of "differently brained" people, and they have the intrinsic human interest that spurred his book **Awakenings** to be re-created as a Robin Williams movie.
