DRILLING FLUIDS & ENGINEERING SERVICES Scomi Oiltools is a global provider of Drilling & Completion Fluids and Drilling Waste Management solutions. With the reach of our international infrastructure, and the expertise of our experienced personnel, Scomi Oiltools is able to offer customers the benefits of truly integrated and engineered solutions.

~~Geo Drilling Fluids, Inc.~~

The drilling-fluid system—commonly known as the “mud system”—is the single component of the well-construction process that remains in contact with the wellbore throughout the entire drilling operation. Drilling-fluid systems are designed and formulated to perform efficiently under expected wellbore conditions.
