Another big step in the Early Retirement movement was when Jacob Fisker, a fellow thirtysomething retiree, started writing his blog called Early Retirement Extreme back in 2007. By creating his series of highly detailed and analytical articles on the subject, I think Jacob was giving a clear voice to the financial independence scene that was not readily available on the Internet before that ...

Welcome to the Early Retirement Extreme (ERE) Wiki Page. Once understood, ERE principles allow for a much earlier retirement than most think. A driving principle is to live on a much smaller percentage of your income. For example, if you live on 20-25% of your wage and invest the rest, you may retire in 5 or 6 years, freeing you from the obligation to work for money for the rest of your life.
