"Ms. Donaldson shows great promise. As a debut novel Edenbrooke was delightful and diverting. She particularly excelled at the witty repartee between the main characters and developed the second string beautifully to support the narrative."-

Edenbrooke gets it just right. I wasn't sure what I was going to think of it when I first started reading, but I was quickly lost. I devoured it in two nights, losing far too much sleep on night two. Though no one can replace Price and Prejudice or Emma, Julianne Donaldson gives Regency Romance a contemporary feel that will draw in readers, both young and old. Her novel is set in the era, but the language is easy to read and understand.
