Education and Capitalism: Struggles for Learning and ...
Knopp has managed to put together a wonderfully informative read with Education and Capitalism. Although educators and teachers won't find a how-to guide on Social Justice they'll nonetheless be inspired to get behind an educational reform revolution that'll finally take down the unproductive system of Capitalism.

Education and Capitalism: Struggles for Learning and ...
"In the first decade of the twenty-first century, a conservative, bipartisan consensus dominates about what's wrong with our schools and how to fix them. In each case, those solutions scapegoat teachers, vilify our unions, and promise more private control and market mentality as the answer. In each case, students lose--especially students of color and the children of the working class and the ...

Education and Capitalism: Struggles for Learning and ...
Education and Capitalism: Struggles for Learning and Liberation March 10, 2013 · "If we let the corporations organize education, it will be an education that's about fitting our children into their workplaces — into the narrow vision of working life that they have in store for the next generation.

Capitalism and education - The Socialist
2. Public education is an important mechanism in creating social consensus because it is based on the idea that school offers "equal opportunities" for all citizens. This idea of education is a strong legitimating force of capitalism. The idea of equal opportunity under the capitalist system is, in itself, a fallacy. 3.
