Iconoclasm - Wikipedia

Rejection of idolatry during the Reformation had dramatic and far-reaching effects on English society: the removal of color and ornament from churches, the alteration of divine and secular laws, and the destruction of an enormous amount of religious art. This study looks at the changes in sixteenth-century theology that brought about iconoclasm and offers new insight into a central aspect of ...

The Myth of the English Reformation | Journal of British ...

Iconoclasm[Note 1] is the social belief in the importance of the destruction of icons and other images or monuments, most frequently for religious or political reasons. People who engage in or support iconoclasm are called iconoclasts, a term that has come to be figuratively applied to any individual who challenges "cherished beliefs or venerated institutions on the grounds that they are erroneous or pernicious". Conversely, one who reveres or venerates religious images is called an iconolater;
