(PDF) An Introduction to English Morphology: Words and ...

However, this use of terminology is avoided by many modern theories of syntax, which typically view the expressions in bold as part of the clause predicate, which means they are not complements of the subject or object but rather are properties that are predicated of the subject or object.. The Cambridge
Grammar of the English Language assigns the term "predicative complement" to both uses and ...

An Introduction to English Syntax - Oxford University Press

Constituent structure analyses of sentences are a central concern for theories of syntax. The one theory can produce an analysis of constituent structure that is quite unlike the next. This point is evident with the two tree diagrams above of the sentence Drunks could put off the customers , where the dependency
grammar analysis of constituent structure looks very much unlike the phrase ...

English Syntax: An Introduction | Andrew Radford | download

This textbook--an abridged version of Radford's Minimalist Syntax and the Syntax of English--provides a concise and accessible introduction to current syntactic theory, drawing on the key concepts of Chomsky's Minimalist Programme.
