The 1975 version of Gujarati's text, however, was a real help in making econometrics interpretable. This text is written in the same accessible way, and it's coverage of important topics has kept pace with developments in the literature. Econometrics is never easy reading, but Gujarati has done it about as well as can be done.

Essentials of Econometrics: Damodar N. Gujarati ...
As an introduction to econometrics this book is fantastic. You won't get the finer points of the statistics to be a true pro. That said, this book covers all the major bases. I used it more than many of the statistic books I had, because the manner of speaking intonates application more than theory ...
