George Orwell—1984—Part 1, Chapter 1

1984 has come and gone, but George Orwell's prophetic, nightmarish vision in 1949 of the world we were becoming is timelier than ever. 1984 is still the great modern classic of Negative Utopia. I recently revisited this book after many years of absence, and while reading along I highlighted many quotes and passages which struck me as relevant ...

1984 (Excerpt from Chapter One)—George Orwell

One of the reasons I love //i/m14andthisisdeep is because it reminds me of when I was an angsty teenager and I love quotes. 1984 is a great novel by all accounts and has a valid deeper meaning. The problem with this small quote is that it doesn't give enough of the information for you to understand the entire meaning.
