Financial Accounting, Global Edition, 11th Edition - Pearson

Financial Accounting features the 'accounting cycle' up front in the text in order to increase success and retention later on. The concepts and mechanics students learn in the critical 'accounting cycle' chapters are used consistently and repetitively—and with clear-cut details and explanations—throughout the remainder of the text, thus minimizing confusion.

Harrison, Financial Accounting, 11th edition

Written in a manner suitable for accounting and non-accounting majors, the Eleventh Edition, Global Edition, is the ideal text for a first course in financial accounting with a focus on IFRS. With its long-standing reputation in the marketplace for being easy to read and understand, this text drives home fundamental concepts in a reader-friendly way without adding unnecessary complexity.
