alot of dealers don't do all the work on their cars, they will farm out the jobs they don't do. A/C, body work, windshields and i'm sure many more. right now i want to look at the speakers in the door, a good shop manual would be good for this. seems to me they used to cost in excess of 200 smackers for a set way back when. may have to check out the the online site.
