## Read Online Ford Probe Manual Transmission Fluid

Transmission changes do NOT remove all of the transmission fluid from the car and often times up to half of the fluid can remain. If you have contaminated your transmission fluid with the wrong fluid, this is not going to be the right choice for your car as the new fluid will simple get contaminated by the remaining old fluid. Transmission Flush

## Read Online Ford Probe Manual Transmission Fluid

If the transmission fluid level on your Probe is low, you need to add fluid through the dipstick tube. Ford has been developed sophisticated transmissions through years and it is critical that you add the exact type of transmission fluid stipulated by your owner's manual (typically in the back of the manual in a section titled Fluid Capacities.)
