The F1 was amazing. This is a brand new track that was designed by F1 professional drivers and designers, not a government/emirate or consortium. While improvements to the grounds continue, the track itself is awesome, with numerous turns and straight aways. Turn 1 rises 130 feet from the start and turns left over 90 degrees.

The Lap Record for a particular circuit is the fastest time ever recorded in a Formula One Grand Prix around that circuit. For a Lap Record to stand, it must be posted during the race, not in practice or qualifying. Due to the cars in the 2017 Formula One season being widened, many Lap Records on current circuits are from the 2018 and 2019 Formula One seasons.
