Now it's time to write your multiple choice questions! Approximately 4 or 5 questions will fit on a page. Your worksheet can contain multiple pages. You may enter as many questions as you'd like. If you want fewer choices, you may leave fields blank. (For example, if you want 3 choices instead of 4, just leave the field for answer d blank.)

### *Multiple Choice Worksheet Generator*

Questions words help us learn more about anything. Questions often lead to two paths of response for anyone that is interviewed, either an affirmative or a negative. This selection of worksheets works towards presenting questions that lead to a positive response. When asked, with the right tone, a question can lead to an expected response.
