YourDNA - GDPR
Do not make a decision on your health or that of your family based on the results provided to you by yourDNAportal.com. If you are concerned or have questions about what those mean for you and your family you must consult with your doctor or a professional healthcare provider.

The DMA and OneTrust Announce Strategic Partnership
What will be of most interest to you in this room is our work with the DMA to help produce a Direct Marketing Guide. We have provided input and feedback into sections on accountability and essentials of the GDPR and will continue to work with them. And, of course, our own Direct Marketing Code of Practice is still in the pipeline.
