Geek Squad UPS Fix The Story (skip below to The Solution if you don't care about the story) Back in college, I lived with 4 other guys in an older house. We all had A/C units and all liked to live and sleep in sub-70 temperatures. Needless to say, we popped breakers quite often. While we could quickly and easily reset the breaker, I had a PC ...

LEAKED: Geek Squad's Troubleshooting Manual - Consumerist

Geek Squad uses proprietary tools to perform most software repairs. If you have built your own PC before then you have the skills for the hardware that's done in the precinct. Also no agent will provide you with any manual or documentation since that's all company property and could cost them their job.
