Generations in Touch provides an excellent and empirically rich eastern perspective on these issues, furthering our knowledge and understanding of the benefits to be gained from developing... a deliberate social policy of linking older and younger people in appropriate settings. Leng Leng Thang has written a readable, thoughtful and critically stimulating ethnography that examines the 'reengagement' of older and younger people in the context of an intergenerational social welfare institution....

Generations in Touch: Linking the Old and Young in a Tokyo ...

Building Ties Among Generations Is More Important Than Ever The love between grandchildren and grandparents is a joyous expression of family! Yet it's harder to stay in touch--across the country or across town. We make it easy to spark kids' creativity and grow family bonds over distances and through generations.
