The Political Language of Food by Samuel Boerboom

Gourmands and Gluttons Gourmands & Gluttons : the Rhetoric of Food Excess considers that modern eaters live in a world driven by excess--especially in American culture, which considers bigger to be better, especially in the food world.

Gourmands and Gluttons : The Rhetoric of Food Excess

This collection of essays on the political language of food features two key emphases. The first emphasis addresses why the language used in the production, marketing, selling, and consumption of food is inherently political. Due to the often strategic vagueness of food language, it is rarely ...

Introduction—The Rhetoric of Food Excess : Gourmands ...

Yet, although we often overlook it, nowhere is this rhetoric of excess more on display than within our food discourses. While many would argue that the gourmand vanished from society at the end of the 19 th century, this book contends that both the gourmand and its counterpart, the glutton, have moved beyond their historic roots to become cultural personae found throughout contemporary media and popular culture.
