Netherlands-based Paragon Pet Products Europe B.V. alleges that Mars's claim that Greenies is the "#1 Vet Recommended Dental Chew" is unsubstantiated and false. A footnote on the back panel of the packaging suggests that Greenies is not, in fact, recommended by most or even a majority of veterinarians.

When you consider that LEED Version 2.2 only went live on January 1, 2006, many of the LEED-related green building claims that have been suggested to date remain well within the statute. This could be a significant reason why both LEED- and green building-related litigation will remain on the horizon for the near future.

And yes, you are simply replying to each fact that the pursuer has set out in the condensation. Quoad ultra admitted/denied. If you have read Hennessy, then you will be familiar with these terms. There are also Style books which give you a skeleton style of how to draft defences etc. I think an author called Green published one.
