Industrialisation - Wikipedia

Section 2:Patterns of Change: Industrialization The change to an industrial economy brought many benefits to British people.

They used coal to heat their homes, ate better food, and wore better clothing. Many people also suffered, however.

Industrialization caused many changes. One change was a rise in the proportion of people who lived in cities.

The Industrial Revolution, 1700–1900 - Boone County Schools  
Industrialisation (or industrialization) is the period of social and economic change that transforms a human group from an agrarian society into an industrial society, involving the extensive re-organisation of an economy for the purpose of manufacturing.
