~~My High School Experience Essay 1101 Words | Bartleby~~
Life skills education, often referred to as home economics, is perhaps one of the most valuable classes a high school student can take. However, more and more commonly, school budget cuts are forcing schools to do away with this course, thus allowing funds to be focused primarily on traditional core classes, such as math, science, and English classes.

High School Life Essay. High school life. Probably the happiest time of our lives. Many consider their college lives to be the best, but to me high school is better, because it has more fun and less workload. It marks the time when we have just shed our baby skins and we are coming into our bodies. We are young adults now.
