I remember back in 1976 a friend of mine and I were looking in Hi Fidelity magazine and he saw the Sansui 7070 and loved it so much that he purchased one the next week. I could not afford one at that time. Fast forward to 2009 I found a one owner on Craigslist for 75.00 for the 7070 and Sansui FR 5080 turntable. I love it!

Go forward a bit and reverse a foot or so, go forward a bit and reverse a foot or so. It will keep going until it gets stuck or back up onto something and lifts the back. When you use the remote to do spot clean or guide it everything works fine as long as you are in manual mode. Once you hit the middle button for automatic it starts acting crazy.
