### HYDROVANE 707 Rotary Screw & Sliding Vane Air Compressors

...

Hydrovane has manufactured over 775,000 compressors to date and are the perfect business solution to meet your requirements for reliable, high quality, energy efficient compressed air or gas.

### V, HV, HVRS Series & hypac Rotary Vane Air Compressors

Hydrovane air compressors, as their name suggests, are Vane type air compressors and are manufactured by Hydrovane of the UK. The origin of Hydrovane air compressors dates back to the 1940's. Actual manufacture of the actual Hydrovane air compressor line started in the 1960's. Over the years Hydrovane was acquired by other companies, including Compair, and then Compair too was acquired by

However when I switched the compressor on at home I found if I left the air valve closed the pressure came up correctly to 110 psi then after a few seconds it started to slowly increase until it ran into the red zone on the gauge. I have the correct Hydrovane manual and this states the usual cause of this problem to be the "unloader Valve".
